

Proctored Testing, Make-Up Exams & Competency Assessment Testing Aberdeen Center

Effective May 19, 2009, all proctored online testing, make-up exams and competency assessment testing will be held at the following times only:

Monday, Tuesday, Thursday and Friday between 8:30 a.m. and 3:00 p.m.

If you are due to take a proctored test for an online class, a make-up examination, or a Competency Assessment test, you must do the following:

1. Be aware of test deadlines for online classes. CMU - Aberdeen Center is not responsible for scheduling your proctored tests. Do not put yourself in the position of having to complete all tests for an online class in the same week; check your online class syllabus, or contact your instructor for testing deadlines.
2. Call the Aberdeen Center at 410-272-1532 to schedule for testing. You can also send an e-mail request to aberdeen.center@cmich.edu.
3. Students must show up on time. We utilize the testing facility of the Army Education Center and we do not want to disturb other students who are taking exams.

Reminder: Competency Assessment testing is only an option for students who have already completed undergraduate Statistics and Accounting classes, and who completed the classes more than three years ago. This is not a substitute for students who have not met the undergraduate requirement.
