Access to Andrews AFB

To gain access to Andrews AFB you will need a valid military ID card (active duty/guard/reserve/retired/depn), CAC or DoD badge. Students/instructors without those identification credentials should contact the CMU office to set up a meeting to have a Background Check run and obtain a picture badge for access to Andrews AFB. This should be accomplished at least a week before the class start date. Students obtaining a badge will be required to bring a valid driver's license, current vehicle registration card and current proof of auto insurance with them when they meet with the CMU administrator at least a week prior to the class start date.
