Date \_\_\_\_\_

## SUMMER FINANCIAL AID APPLICATION ELIGIBILITY INFORMATION CENTRAL MICHIGAN UNIVERSITY

The following criteria apply to *summer aid eligibility*:

1. Students must have regular admission and be enrolled in a degree program at CMU; most graduate certificates, the bachelor's certificate, guest students, and non-degree students are not eligible for aid.
2. Only CMU credit hours will be considered in determining eligibility. Students enrolled at a community college or other post-secondary institution are not eligible for summer financial aid through CMU.
3. Students must be making satisfactory progress toward a degree (CMU's policy is available at our web site: [http://www.cmich.edu/Scholarships and Financial Aid/Satisfactory Progress.htm](http://www.cmich.edu/Scholarships_and_Financial_Aid/Satisfactory_Progress.htm)).
4. **For priority processing, students must file this form with the Office of Scholarships and Financial Aid by APRIL 1<sup>st</sup> (including students whose enrollment starts after May 15<sup>th</sup>).**
5. For timely receipt of financial aid documents, students should update their local mailing address through iCentral (<https://icentral.cmich.edu>). **All correspondence will be sent to your CMU global ID email account.**
6. Students must have on file a Free Application for Federal Student Aid (FAFSA) for the current academic year and all other requested documents relating to the application. **All students should file the FAFSA for the upcoming academic year.** If you have not previously filed a FAFSA for the current year, it must be received by CMU no later than April 1<sup>st</sup>.
7. **Students are responsible for payment of educational expenses (including late fees) until aid is disbursed.**
8. If we receive information from the federal database indicating that you have exceeded your annual maximum aid because of aid received at another institution you will be required to return all or a portion of the aid received from CMU.
9. Pell Grant applicants must have remaining eligibility for the current academic year and must be enrolled in a minimum of 3 credit hours. **Your Pell Grant status will be determined by the OSFA. Please do not contact OCP FA or OSFA regarding your Pell Grant eligibility until after you have received your summer award notification.**
10. Direct Loan applicants must have remaining eligibility for the current academic year. Undergraduate students must be enrolled in a minimum of 6 credit hours for summer; graduate students must be enrolled in a minimum of 5 credit hours.
11. **SUMMER APPLICATIONS WILL NOT BE ACCEPTED AFTER JULY 13, 2012.**

### PAYMENT DATE

Payment of financial aid is based on your enrollment status. For most financial aid programs you must be enrolled at least half-time (6 credit hours for undergraduate students and 5 credit hours for graduate students). Summer financial aid will be disbursed when your enrollment status is at least half-time, but not sooner than the beginning of the Summer session. If you add or drop classes after the disbursement of your aid, your aid is subject to revision. **Federal aid will be cancelled for any student who drops below half-time.** If you add an additional class after your aid has disbursed, you will need to pay for the class with your summer financial aid refund.
