Because law enforcement employment must be obtained within 1 year of successful completion of the MCOLES this agreement provides students with three options:		Actual remaining requirements and semester hours are contingent upon courses taken in General Education at General Electives Lansing Community College.
1. If a student desires to complete the Law Enforcement Program prior to pursuing their bachelor degree they may enroll in the B.S.C.D. program at a later date.		To ensure that degree and graduation requirements will be satisfied, all remaining courses are to be selected in consultation with an advisor.
2. If a student desires to complete their bachelor degree prior to a career in law enforcement they may do so by completing all of the necessary courses and then enroll in the Police Academy at Lansing Community College. Once this has been successfully completed the student will need to complete and submit their Prior Learning Portfolio in addition to their transcript to CMU.		Students are required to earn at least 124 semester hours in order to graduate from CMU. 60 semester hours must be from a regionally accredited 4-year degree granting institution or equivalent. 40 of the semester hours must be 300 level courses. A minimum of 30 semester hours of CMU residency credits are required.
3. If a CMU student enrolled in the B.S.C.D. – Public Administration desires to complete the Police Academy at Lansing Community College, they may do so just prior to completion of their CMU program.
