This articulation guide represents a MACRAO fulfillment. Please note that students must complete a minimum of 30 hours in Psychology with a minimum of 15 hours of Psychology course work at CMU.</p> <p>Minimum credits remaining at CMU 63</p>

1/7/11

*A grade of "C" or better is required to meet competency at CMU for these courses.

** Although this course satisfies the statistical component associated with the Psychology major, PSY 211 Introduction to Psychological Statistics is the preferred course and better prepares students for PSY 285 Research Methods and may be taken at CMU. If PSY 211 is elected to be taken adjustments will be made to the remaining major requirements.

***Required course for the Bachelor of Science in Psychology, General degree.

**** Preferred course selection. Deviation will result in additional program &/or degree requirements.

To ensure the transferability of coursework please consult the CMU Online Transfer Guide at www.cmich.edu/Admissions/Transfers/What_will_transfer.htm.

Transferable courses completed with a grade of "C-" or better may be accepted.
